- *This form must be completed and submitted before your request can be considered.*
- *If the beneficiary is less than 18 years old, then the application form must be completed by their parent or coach.*
- *If your funding request is granted, you will be expected to complete and submit a BJA Southern Area Funding Report Form within four weeks of the funded event. This form will be presented to the Southern Area Committee at its first meeting following receipt of the report.*
- *Unfortunately, available Southern Area funding is limited. If you have received Southern Area funding in the 12 months preceding a new application, you may not be eligible for further funding. More information is available in the Southern Area Funding Eligibility Guidelines document.*
